

THE DA VINCI CODE Project

As a Christian, how do I handle conversations surrounding *The Da Vinci Code*?

Priority Associates and Vertical Reality have joined together to host a training event to equip believers to refute the biblical falsehoods depicted in *The Da Vinci Code*, empowering them to pursue evangelism.

Join us Wednesday, May 24th, for an exciting evening of TRUTH.

Don't let anyone lead you astray with empty philosophy and high-sounding nonsense that comes from human thinking and from evil powers of this world, and not from Christ.

Colossians 2:8 (NLT)

Event Details
